It will be appreciated if you will inform us as to the status of the above-identified U.S. patent application. This inquiry is being initiated on the basis of the fact that we have yet to receive another official action dealing substantively with this application, despite filing a reply to the Notice of Non-Compliant Amendment on September 1, 2004 and having made a couple of telephone inquiries with the USPTO to check on the status. Therefore, please inform us as to when we may expect to receive the next official action for the above-identified application.

Thank you for your assistance with this matter.

Very truly yours,
